PROJECTS

LOULETTE BRIDE “SOVEREIGN BLOOM” COLLECTION
BRIDAL PRODUCT DEVELOPMENT GROUP PROJECT

CHICAGO, ILLINOIS
SEPTEMBER 2025

- Constructed a bespoke bridal pant garment within a 9-person production team, supporting end-to-end development from concept to final fabrication.
- Drafted and refined custom patterns through 7 fit sessions, achieving precise fit and couture-level finishing.
- Researched textiles, silhouettes, and construction techniques to align with Loulette Bride’s brand identity, sustainability goals, and client expectations.

WORK EXPERIENCE

DRESS ALTERATIONS
MARIA DE JESUS ALTERATION AID

CHICAGO ILLINOIS
MAY 2015 - JUNE 2022

- Supported and independently completed 100+ garment alterations over 11 years, averaging 5 hours of sewing daily while meeting tight family and client-driven deadlines.
- Performed custom fit adjustments, hemming, restructuring, and hand finishes using home and industrial machines, contributing to consistent same-week or next-week order fulfillment.
- Maintained long-term client trust through precise craftsmanship and reliability, helping sustain a multi-year, referral-based customer base with minimal revisions required

COLUMBIA COLLEGE CHICAGO SCHOOL OF FASHION WORK AID
ADMINISTRATIVE ASSISTANT

CHICAGO, ILLINOIS
NOVEMBER 2024 - PRESENT

- Supported the planning and execution of School of Fashion events and window installations in collaboration with local partners, ensuring seamless coordination and professional presentation.
- Facilitated cross-departmental communication by providing administrative and logistical support to Fashion faculty, enhancing operational efficiency.
- Assisted students during on-campus events by offering guidance, resolving inquiries, and ensuring a welcoming and organized environment.

COLUMBIA COLLEGE CHICAGO DIGITAL PATTERNMAKING TA
ADMINISTRATIVE ASSISTANT

CHICAGO ILLINOIS
JANUARY 2025 - PRESENT

- Supported Fashion faculty in delivering a digital patternmaking curriculum by preparing instructional materials, documenting class notes, and reinforcing lesson objectives.
- Provided technical assistance to students using VStitcher, troubleshooting software and garment development issues to ensure continuity of learning.
- Delivered one-on-one tutoring sessions, guiding students through post-lesson exercises and demonstrating alternative workflows to enhance software proficiency.

DOS HILOS: ALTERATIONS SPECIALIST
SELF-EMPLOYED

CHICAGO ILLINOIS
JUNE 2025 - PRESENT

- Executed 15-25 precision garment alterations monthly across bridal, performance, business, and adaptive garments, maintaining 100% on-time delivery within a 14-day turnaround.
- Led 3-5 client fittings per garment, managing measurement adjustments, pattern refinements, and finishings to ensure high-quality fit and craftsmanship standards.
- Completed 200+ hours of sewing and textile construction, utilizing industrial sewing machines, hand-finishing techniques, and pattern modification to improve fit accuracy and reduce rework by 25%

SKILLS: SPANISH (FLUENT), HOME AND INDUSTRIAL SEWING MACHINERY, PATTERNMAKING, VSTITCHER, ADOBE PHOTOSHOP & ILLUSTRATOR, EXCEL.
